Lynne/Mel,

Okay, have a good meeting today..

1) MLM Meeting – Please see the attached DRAFT presentation for the MLM meeting. Please give me any fatal flaws and I will revise and resend so you can review more thoroughly tomorrow.

2) Mystic River – I have asked Keegan and Odonnell to forward a copy of their letter to NYDOS, since EPA is mentioned in the letter, we should receive a copy of their correspondence (they may decide to give us a copy at our meeting this week).

3) All grant funds have been finalized.

4) I will have an updated “table 1 “ ELIS SEIS budget and schedule to you shortly

thanks

Okay, thanks for confirming the call happened. I'll be here until 11:30 to review the

presentation but then on the road and at a meeting in Providence. If I don't see it by then I'll look at it first thing tomorrow. Thanks.

I don't think this meeting/call happened, yet. Jeannie, as we discussed last week, can you please provide us with a current schedule of meetings and other milestones through release of the draft SEIS? Thanks.

Jean, Mel,

I just went in the CAT and we have an overdue milestone for the Agency meeting for ELIS. Did that get done yet? Please let me know the date so we can put it in

the CAT. How did the meeting/call go?

Jean – can you please add me to your cooperating agency email group so I get copied on your messages. I'd like to see the messages. Thanks.
